

Subject Line: How to make cold-calling work for you.

Dear First,

How do you make more effective, productive, profitable cold calls?

You start by getting the facts.

And we've got 'em for you, straight from the mouths and minds of top sales professionals:

- > Openings that get people to listen to you
- > Voicemails that get your phone calls returned
- > Appointment closes that get appointments.

Join us as best-selling author and trainer Jim Domanski presents these facts – and many more – about how to make successful cold-calls.

Get the facts on what's working now to –

- > Get past gatekeepers
- > Get past voicemail and call display to reach more decision-makers
- > Make the prospect value what you have to say.
